MILD DETOX

Research demonstrates that SierraSil minerals attract and bind toxins such as heavy metals, helping cleanse your body as they pass during urination.

PAIN RELIEF FAST ACTING SPRAY

Unlike many topical pain products, ours has 'no fillers/' so every squirt counts, providing surprisingly fast but lasting relief.

CALMS INFLAMMATION

A mechanism of action study showed that SierraSil calms inflammation at a gene expression level. That can be helpful for joints and muscles throughout your body making daily activities easier and recovery from exercise faster.

REDUCES CARTILAGE BREAKDOWN

Many joint products endeavor to help rebuild worn joints. SierraSil research shows it can significantly reduce cartilage breakdown!
