ALL NATURAL ♦ GLUTEN-FREE ♦ SOY-FREE

Quality of life enhancing supplement backed by quality research and proven efficacy.

SierraSil, the active ingredient in Leaps and Bounds™, is a naturally occurring hydrothermal clay complex from the Sierra Mountains that has been clinically proven to help support a healthy inflammatory response, gently detoxify, and improve physical function. Extensive research in clinical trials for both safety and efficacy, SierraSil Leaps and Bounds™ is the **natural** choice for proven joint pain relief for your dog. The new formula has been developed to meet the highest quality standards with all natural ingredients, ethically sourced to ensure purity, with a taste your pet is sure to love.

Recommended for:

- Preventative action for dogs of any age with a predisposition to joint issues
- Dogs showing signs of aging, joint stiffness, reduced flexibility and mobility, and signs of swelling

Dosage:

It is recommended for best results to feed the chews daily and make sure the pet has plenty of water to drink. The recommended weight dependent dosage is as follows:

Up to 20lbs	1 chew daily
21lbs-50lbs	2 chews daily
51lbs and over	3 chews daily
